

ARIES Workforce Alert

Release 09/28/2022

Good afternoon:

The ARIES team has important information regarding improvements to the system that were made as part of the most recent system release.

There was a known issue with adding local providers to services in the Individual Opportunity Plan (IOP). That issue has now been resolved.

When creating the IOP there are two new buttons on step 4 (creating the training plan):

Create a new Individual Opportunity Plan (IOP) for HARRY POTTER
This customer does not have a current IOP. Complete the form to create a plan.

Progress bar: 1. General information (✓), 2. Employment, 3. Goals, activities, and services (✓), 4. Training plan, 5. Terms and conditions, 6. Customer signature

Training plan
Use this form to plan for all types of training services necessary to address an individual's barriers to employment.

It has been validated that local training providers are now able to be searched and selected.

Updates to the occupational exam page: The occupational exam form now allows for the editing of the occupational skills exam “name”. The steps to create a new exam or update the name are as follows:

To create a new exam: Customer Profile – Occupational Exam Tab:

Click the “Add New” button on the top right of the page.

New CCMEP Notification Email for Exit/Program Completion: This feature sends an email notification to a CCMEP customer, when the customer is exited from the CCMEP program. The following is an example of the email that is generated to the customer.

Mike DeWine, Governor

Jon Husted, Lt. Governor

Matt Damschroder, Director

Notice Date: 1/2/2021

Dear Test CCMEP,

Thank you for participating in the Comprehensive Case Management and Employment Program (CCMEP). Thousands of young Ohioans have entered rewarding, good-paying careers through this program.

We must tell you that your participation in CCMEP will end on 4/2/2021 unless you act now to continue it. We request that you contact us at your earliest convenience today so that you can remain in the program.

Why is your program participation ending?

You succeeded in entering either employment, education or the military.

How can you remain in the program?

If you want to continue your participation, please call the number below as soon as possible. You may still be eligible for services.

TAA Training Duration Calculation: There was a known issue with the calculation of Training Duration for TAA. This issue has been resolved. The system is now calculating training duration correctly.

Rapid Response App: There are two new improvements to the Rapid Response App integration with ARIES.

When a rapid response survey is submitted there are two services that are automatically added to the customer's record.

- Rapid Response Orientation
- Rapid Response Survey

When a customer completes a second (subsequent survey) the most recent survey results are populated in the ARIES system.

Thank you for your continued support and cooperation.

Sincerely,

The ARIES Team
